I have been married nine years. I am the mother of seven sons, three biological, Jervon, Ronald, Ethen and one stepson, Larry III and I have 20 grandchildren. I came to COPIM in 1997 and after being healed at a Wednesday night service, I wanted to give back to the Lord. I started attending different classes and soon started working in Ministry. I would like to take this time to invite you come out and be a part of this ministry.
