

Children's Ministry

(Children of Promise)

We partner with parents to help them develop their children into Christians and the champions God destined them to be.

HERE IS WHAT YOU CAN DO IN THE CHILDREN'S MINISTRY

- Be a Sunday school or Wednesday night Bible study teacher.
- Volunteer as a teacher's aide, clerical assistance, or activity coordinator.
- Serve as a greeter.

Gloria Birdwell – Team Coordinator

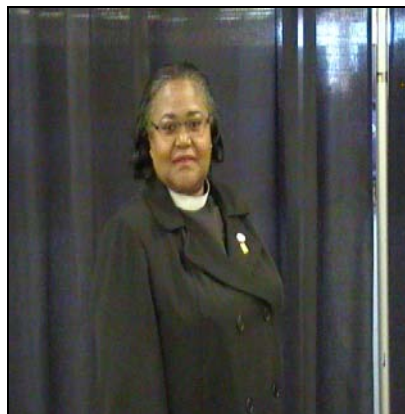

My love and passion for children has been evident since my own children were small. I was an active room mother at their elementary school throughout their attendance, a Girl Scout Leader, and an Integration Steering Committee Member when Los Angeles began integrating the school system. I worked with the church youth group when my children were energetic youth, and I have taught Sunday school at all age levels for numerous years.

I am passionate about seeing children become Christians and everything God created them to be. I love to see them using all their gifts and talents and going into the world to make it a better place by glorifying God.
