

# Information Ministry

The goal of the Information Ministry is to carry out the vision of Bishop by providing information in excellence on services, ministries and events. We welcome and disseminate information to members and visitors each Sunday with a heart of love, a friendly face, and a Godly attitude. Our monthly meetings are held every second Sunday at 9:45 a.m.

## Here is what the Information Ministry does:

We host the Information Table located in the front of the sanctuary before and after each service.

- We are a resource of information for every event held at COPIM
- We are a information resource for ministry classes and ministry meetings held at the church
- We coordinate signup sheets for travel on COPIM buses
- We aid members in locating their assigned Deacons
- We have dates, times, and locations for upcoming events and Bishop's speaking engagements. If we don't have the information at present, we will find it for you.

## Louise Powel - Coordinator

I have been a member of COPIM for six years. I am married to a minister who is a teacher of biblical studies-Hebrew, Greek, Hermeneutics, and Christian Doctrine. I have one daughter and two sons, nine grand-children and one great grandchild.
