MARRIED UNITED STANDING TOGETHER

We continue to define the purpose of marriage and its long life commitment. We Concentrate on the needs of married couples.

HERES WHAT YOU CAN DO IN M.U.S.T. MINISTRY

- Participate as an example of a Godly union.
- Be in agreement to wage war against Satan to destroy marriages.
- Share your experiences and edify and build up other married couples.
- Participate in Godly games and vignettes that will provide spiritual insight.
- Fellowship with other married couple walking together despite obstacles.
- Meet every second and forth Friday at 7pm in the administration suites.

We are recruiting married couples to become the remnant example of a Godly marriage.

Ministry servants Mary and Michael are in their 19th year of marriage. They are a blended, interracial family, and are of one faith and committed to inspire and encourage all married couples. They have been members since September 9, 2001 and have grown tremendously under the leadership and divine guidance of Bishop Craig Ward Johnson.
