

PRAISE DANCE MINISTRY

"LAMBS OF GOD"

We teach children the true meaning of praise dance. They learn to fast before ministering in dance and they learn how to put God first before ministry.

HERES WHAT YOU CAN DO IN PRAISE DANCE

- Learn the background of the dances and learn bible scripture to support the dance being rehearsed.
- Meet every Saturday at 11:00 am to 12:30 pm in the sanctuary
- Learn the true meaning of praise

The dance ministry is currently recruiting young children from ages five though thirteen

Lolita has been a member at "C.O.P.I.M." since 2003 and has been teaching praise dance since 2005. She believes in following up with scriptures for each dance. Most of all, Lolita loves the dance ministry and she loves making sure the children leave feeling like they had accomplished what God had given them, A spirit to praise him in dance.
